Vantage® Introduces New Nurse Liaison For Vantage® Care Apothecary

Jackie Gildea returns to Vantage® as a Nurse Liaison for Care Apothecary. Gildea, a practicing registered nurse for the past 20 years, is pleased to be back with Vantage®. Gildea has worked for Vantage's infusion pharmacy as well as the preferred provider organization in the past.

Saint Vincent School of Nursing in Erie, PA is where Gildea attained her nursing degree. She has experience in intensive care as well as in infusion, long term care, cardiology and utilization review.

Gildea will be reporting directly to Julie Smith. "Jackie's professionalism, experience and dedication to detail will be an asset to Vantage® Care Apothecary customers. We are thrilled to have her as part of our team." Said J. Smith

Gildea resides in Conneaut Lake with her husband of nine years, Roger. Jackie stated, "It feels great to be back with Vantage®. This is a great company with great people. I'm excited to work with Julie Smith again; she and I worked well together in the past, the future will be no different."

Vantage® operates multiple companies that service healthcare in Pennsylvania along with providing healthcare services in eleven other states. The company has over 350 employees and annual net revenues over 55 million dollars.

Vantage® has two locations in Erie, PA that include a high-tech medical linen plant on Colonial Avenue and offices at One LECOM Place on the Bayfront. Offices in the historic Venango Exchange Bank Building in Franklin, PA and headquarters at 1305 S. Main Street, Meadville, PA., represent the operations of the company.

Vantage® began in 1984 and is in its 27th year of operation. The mission of Vantage® is to develop services of quality that are provided locally, convenient to the patient which saves costs and equates to growth of owner shareholder value. Vantage's system of companies helps doctors and hospitals provide care locally using seven durable medical equipment retail store locations, seven diagnostic sleep labs, and mobile diagnostic and treatment services. For more information about Vantage® visit www.vantagehealthcare.com or contact Mrs. Katrina Leftheris-McCullough at 814-337-0000.
