Medical Management--

Vantage PPO provides medical and case management services for self-funded groups in Northwestern Pennsylvania. Vantage Medical and Quality Management staff utilize *Interqual criteria*, and *regionally developed criteria*; these criteria are available upon request by contacting the Medical and Quality Management Department, Vantage PPO, 11031 Perry Highway, Meadville, PA 16335, or by calling the nurses directly at 814/333-4353, or toll free 800/955-5247, extension 2125.

- ▼ Vantage PPO provides medical and case management services for some employer groups who self-fund their health benefit plan.
 - ▼ These groups can be identified by information on the patient's identification card.
 - ▼ Criteria are as specified above, and available upon request.
- ▼ Vantage PPO provides the network from its panel of physicians and facilities.

Celebrating 20 Years of Quality Health Care Services

UPDATES

What is Vantage PPO Plus?

The Vantage PPO offers access to a regional network of over 6,000 physicians and allied healthcare providers, 37 hospitals, and over 200 ancillary providers located in western Pennsylvania, southwestern New York and northeastern Ohio. In addition to the basic PPO design, Vantage offers "PPO Plus". Various hospitals have agreed to offer better discounts when the Vantage PPO Plus benefit design is implemented. When PPO Plus members choose to receive treatment at one of the "Plus" hospitals, they will receive their highest level of benefits. Vantage PPO Plus members may receive treatment at any hospital however, the highest level of benefits and lowest out of pocket expense will be realized at a Vantage PPO Plus participating hospital.

Vantage PPO Plus Participating Hospitals*

- Corry Memorial Hospital
- Kane Community Hospital
- Meadville Medical Center
- Millcreek Community Hospital
- The Ellwood City Hospital
- Saint Vincent Health Center
- Warren General Hospital
